PROFILE

As a software developer with 8+ months of experience in software development, I am seeking an internship opportunity to develop my skills further and gain relevant industry experience. I am a fast learner with a willingness to explore new technologies.

SKILLS

JavaScript • ReactJS • NodeJs • HTML/CSS • Tailwind CSS • GIT

EXPERIENCE

Software Development Intern, Nupat Technology Centre, Lagos, Nigeria

Sep 2022 - Present

- Worked on various projects, including a dog breed API, a company outsourcing website, and an online marketing program for a home makeover and decoration business.
- Utilized HTML/CSS, JavaScript, ReactJS, and Tailwind CSS
- Managed version controlling using Git.

PROJECTS

Nupat Out-Sourcing Website: Built a website where companies can hire developers, and developers can get paid through the website once hired. Utilized ReactJS, Tailwind CSS, and Emailjs.

Bina's Make Over: Established an online marketing program to reach a wider audience interested in home makeovers and decorations. Utilized ReactJS and Vanilla CSS.

Dog Breed API Website: Created a website where users can select a breed type and retrieve and display its corresponding value from the API endpoint. Utilized HTML/CSS, JavaScript, and NodeJS.

Portfolio Website: Created a personal portfolio website.

Music App: Created a webpage for playing MP3 music. Utilized ReactJS and Vanilla CSS.

EDUCATION

Full-stack Web Development & Computer Science

Sep 2022 - Feb 2023
